Presidents Report

Good day comrades.

January presented a great start to 2023 for our Branch.

We continue to have large numbers of new membership applications coming in. This month alone we initiated over 30 new members at the General meeting.

The Levee had a huge turnout and brought in a large revenue. A great time was had by all.

The banquet hall continues to be booked frequently. We are trying new events in the clubroom to provide entertainment to our members.

The fund raiser at the CCC which went over fantastic was a night filled with success. The Cobourg Cougars faced off against the Wellington Dukes. The event brought in over 5,000.00 that will be donated to two of our Veterans initiatives, Operation Leave The Streets Behind and Operation Service Dog.

Looking forward to repeating the event on November 6 th , 2023 leading up to Remembrance Day.

Remember that the key to success is the three C's, Communication, Cooperation and Collaboration.

If we can achieve that, we will be very successful.

Thank you again to all of our volunteers who put in numerous hours to better the Legion.

As always, please do not hesitate to reach out to me if you have any questions, concerns or complaints.

In comradeship,

Rod Ingersoll

President

Membership

It has been another busy month for Membership. On February 16th we welcomed 25 new members and initiated 24 of them at the general meeting. Many stayed afterwards to get to know each other. We are now up to 875 members and growing every month!

Veteran's Service Officer

Hello Comrades,
February was another relatively quiet month for the VSO, we had a few claims submitted for Veterans.
The Legion has several programs like hearing and tinnitus claims, VIP Service, assistance to purchase walkers, wheel chairs, dental work, hearing aids and many more.
If you served with the military in the reserves, regular forces or the RCMP, you may be eligible for assistance.
If you feel that the Legion and or Veteran Affairs may have something for you, please do not hesitate to contact me at 416-618-6266.
In comradeship,
Rod Ingersoll

IT'S ABOUT TIME

Where does it go? Time that is. One moment it's not yet, the next thing you know, it's gone. Can you believe it was about a year ago already that we formed the G O C? (Grand opening committee). We got the job done and here we are in our new facility.

As I Write this article, we are in the middle of February and we have had some very nice Springlike days, surely a sign of time to come.

I'm sure we have all become aware of how times have changed during our lifetime, some good, some questionable.

Many conversations in the club room start with..."remember the time...?" Have you noticed too? the older we get. the faster time goes by. Not only that but it takes more time to get less done.

Speaking of time changing, daylight saving time happens 2.00am Sunday March 12th. Surely that is a sign of Spring coming.

As we approach April, it is time to think about our branch elections. These are exciting times for Branch 133 and a great time to be part of the executive team. Maybe this is a time for you to stand for a position. Why not take some time and give it some thought.

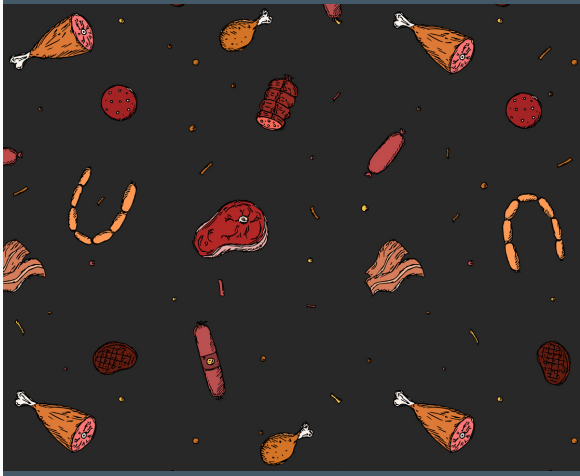

Until next time.
