Presidents Report

Good day comrades.

May was a good month with a lot of activities, events and bookings.

The annual elections were held on May 18th, thank you to everyone that came out. Thank you for the support and I will do my best to serve all to the best of my ability. This month's General meeting is on Thursday June 15th and that is the last meeting before September as we are not holding meeting in July and August.

Remember that the key to success is the three C's, Cooperation, Collaboration and Communication. If we can achieve that, we will be very successful. Thank you so much to all of our Branch and Ladies Auxiliary volunteers who put in numerous hours to better the Legion.

As always, please do not hesitate to reach out to me if you have any question, concerns or complaints.

In comradeship,

Rod Ingersoll

President

“HAPPY NEW YEAR”

What? a New Year already? Maybe the chaplain has finally lost it, or is he just thinking about the fact, that we have just had an election of officers for the year 2023 /24?

We thank those who served on the executive and committees, last year for their service to the branch. As we welcome the new executive, hopefully we will rally around them as we move forward in the coming year.

We look forward to welcoming more new members as we approach the 1000 Member mark. That is some thing that could happen sooner rather than later. Hopefully some of the new members as well as the rest, will find it in their hearts to step up and volunteer for the many tasks it takes to run the branch successfully. We are a volunteer organization and volunteers are the backbone of many successful groups. The more successful we are as a branch, the more we can benefit our veterans and their families, that, after all is our mandate. This would be a good time to give a vote of thanks (or in modern speak, a SHOUT OUT) to all who have kept this branch going during the past year with all the challenges we faced , which along with the pandemic were many. As we move forward into this “new year“ we look forward to even greater success.

Along with these thanks, let’s not forget our great Ladies Auxiliary, who do a fabulous job in supporting the branch . So, it is with these thoughts of gratitude, I look forward to another exciting year for branch 133. With those thoughts in mind I wish you all a “HAPPY NEW YEAR”
