## DIFFERENT NOW

I 'm sure you sometimes think back on, how things used to be. Here's a few that are DIFFERENT NOW: I grew up in the Channel islands in the UK during and after world war 2. Food was scarce and what we eat in a day now, is probably more than we had in a week. Even though we cringe at food prices, things are DIFFERENT NOW. On this side of the ocean in the 1950's food prices were DIFFERENT; Check these,

Talk about DIFFERENT NOW. you can get this information off the internet ( as did I)to refresh your memory. I do remember putting 5c stamps on letters to my girl friend. Even words we grew up with mean something DIFFERENT NOW.

On a sign Board on a construction site, "COMING SOON" means Maybe or Never. COMMITMENT seems to have lost its punch. BEST PRICE unless you find one cheaper GAY....okay, we won't go there. NEXT WEEK or NRCT MONTH is now termed " In the coming days"

The good news however, is that some things are not DIFFERENT NOW.

In Winnipeg in 1925, the Legion was founded as "The Canadian Legion of the British Empire." The mission statement is to serve Veterans, including serving military and RCMP members and their families, to promote Remembrance, and to serve our communities and our country.

When you join this great organization, this is what you commit to , it is no DIFFERENT NOW, to what it was in 1925 and in 1928 when your Branch 133 was formed.

The wonderful thing we can do together is make things DIFFERENT NOW FOR VETERANS AND THEIR FAMILIES. Please join in as much as you can and help fulfil our mission.
